Thank you for choosing All School Fundraising for you upcoming school activities. ASF creates souvenir items that are custom designed with your specific school information along with local business advertising. ASF supplies the custom souvenir items at **no cost** to schools nationwide. All School Fundraising contacts businesses in your community and offers them the opportunity to place advertising on the souvenir items. When local businesses in your community purchase advertising on the souvenir items you request, this pays for the print, production, and shipping of the items so there is **never any cost** to your school. The souvenir items are yours to do as you choose, your organization can sell the souvenir items and keep 100% profit or use the items as a giveaway. ASF has no control over how the souvenir items are distributed to the public, all we ask is that you distribute the items once you receive them so that your local businesses get the recognition in the community for their support. The quantity of souvenir items desired by your school/organization can not be guaranteed by All School Fundraising. The quantity we are able to produce is solely dependent on the advertising generated by your local business community. Thank you again for allowing us to be a part of your giveaway/fundraising needs. To see color examples of our souvenir items please visit our website www.allschoolfundraising.com, call us toll free at 1-866-327-9958 or email us at schools@allschoolfundraising.com. Please inform your administration about the giveaway/fundraiser so that they are aware of our agreement. We want to avoid any problems with your local business supporters. If any problems arise or if you have any questions please call, email or fax us so that we can resolve the issue immediately.

We will begin processing you order once we receive your verbal authorization or signed confirmation agreement.
